Orenco® DuraFiber® Lids

Don't risk your customer's health, safety, and security – or your good reputation – on inferior access riser lids. We'll help you show your customers that **DuraFiber** Lids have the difference that matters ...

- Durable, high-strength fiberglass construction helps keep customers and families safe
- Robust design withstands environmental and lawn care abuse
- Sturdy gasket is designed to provide a watertight seal
- High-quality look blends easily with landscaping
- Lids are rated for loads up to 2500 lbs

DuraFiber Lids from **Orenco** give your customers these features and more. And they give you a lasting reputation for quality. Lid samples are available for you to show customers the difference in safety, strength, and quality, and why it matters – firsthand.
